Way Office Plus Update with COVID-19

We at **Way Office Plus** value our employees, their families and our customer's Safety and Health.

We would like to say **Thank-You** to everyone for doing their part in staying safe and healthy and helping keep everyone around them safe and healthy.

We are still here to help everyone. We are taking orders via phone, fax, email or you can still log in and place your orders on-line.

With any orders placed with us, please remember to let us know how we need to make any deliveries to you. Example: special hours, delivery areas etc.

In effort to help, we will be running "weekly" specials and "while they last" specials available for anyone who places an order with us.

Please watch for these "Specials" coming soon...

Please let us know if there is anything that we may be able to help you with.

Our Entire Way Team Thanks You for doing your part!
